REKINDLE YOUR WONDER OF THE AMERICAN WEST

Join **Reba McEntire**, Melissa Peterman, Bo Derek, John Corbett, and more celebrity guests for an all-inclusive getaway to Brush Creek Luxury Ranch located in Wyoming's Sierra Madre mountain range on June 8 to 12, 2022.

Since 2011, this stunning #1 *Conde Nast* and #1 *Travel & Leisure Magazine* top award-winning destination has created indelible memories for tens of thousands of guests, including some of the most famous people in the world.

AN UNFORGETTABLE 4-NIGHT ADVENTURE AWAITS YOU AT BRUSH CREEK RANCH

The Ranch includes a 38,000 square-foot lodge and luxury spa, and has recently invested \$22 million in The Farm at Brush Creek, which includes the Cheyenne Club fine-dining restaurant, The Saddle Barn Event Center, The Brush Creek Brewery & Distillery, Creamery and a 21,000 square-foot Greenhouse. Plus, beneath The Farm is the renowned 94-yard-long wine cellar featuring the Founder's Vault with over 175 of the most unique and valued spirits in the world; and an exclusive secret entrance.

Brush Creek Ranch offers a refined, private Western destination unsurpassed in the quality of facilities, sense of place and level of service. The opportunities for recreation are limited only by your energy and imagination; and your desire for rest and relaxation is enhanced by the quiet solitude that only 30,000 private acres of streams, meadows and mountain vistas can offer. Your experience will include a vast array of on-ranch activities (including unparalleled Orvis-endorsed fly fishing on over six miles of private waters, horseback riding, shooting and archery ranges, river floating, ATV tours, hiking, yoga, mountain biking, culinary tours, and much more!), all daily food and beverages, including premium beers, wine and spirits.

This 4-night adventure will provide endless activities to reawaken you, luxury accommodations to rejuvenate you and outstanding meals to revitalize you.

Each night will feature memorable dinners and entertainment at individually unique venues, where you will hear about some incredible charities that this experience is supporting.
